Dear Mr. Lastinger,

This letter is in response to your request for support of your organization's letter (enclosed) to the Environmental Protection Agency (EPA) regarding revisions to the label language for professional and agricultural rodenticide labels.

The AAPCO Board reviewed a previous draft and supports your recommendations to EPA contained in the letter. We appreciate ASPCRO's work on this issue and look forward to EPA's response.

If you have any questions, please feel free to contact me.

Sincerely,

Chuck Andrews
