| Name | State | Track Credits for Applicator | Applicator Tracks Credits and Submits at Renewal | Applicator Tracks Credits and Randomly Audit a Few Applicators | Must Take Exam to Renew | Other Methods and/or Comments |
|-------------------|---------------------------------------|------------------------------|--|--|-------------------------|---|
| Vickie Rengers | Virginia | Y | | | Y | Virginia gives 2 years of credit for attending a Virginia approved certification course. We do not do CEUs, points, etc. |
| David J. Rousseau | New Hampshire | | | | | Applicator keeps track of own credits and submits at annual license renewal time (annual), annual license is issued with # of credits to date and recertification due date (5 year cycle) on license, e.g., you have 4 credits towards 12 due 12/31/12. |
| Jerry Coleman | NJ | Y | | | | Course attendance is preferred but applicators also have an option to retake their exam(s) to get recertified. |
| Brenda Ball | Arizona | Y | Y | | | Applicator receives notice if they are missing continuing education credit hours to renew. |
| Derrick Lastinger | GA Dept of AG | Y | | | | |
| Michael Page | Florida | | Y | | | |
| Ed Crow | Maryland | | | | | upon attendance at a meeting documentation is submitted to our office and applicators training records are updated, or documentation (certificates, etc) can be submitted with the renewal form |
| Steven Blunt | Colorado Department of Ag | Y | | | | |
| Matt Beal | Ohio | Y | Y | | | |
| Hugh Watson | Washington State Dept. of Agriculture | Y | | | | |
| Janet Kirkland | Montana | Y | | | | |
| Marjorie Read | California | | Y | | | we are also going to be receiving the credits directly from sponsors on our web page in the near future. |
| Chuck Eckermann | Iowa Dept. of Ag | Y | Y | | | We track attendance for private applicators and not commercial. We monitor compliance with commercial applicators by inspecting training records randomly while performing other inspections. |

| Name | State | Track Credits for Applicator | Applicator Tracks Credits and Submits at Renewal | Applicator Tracks Credits and Randomly Audit a Few Applicators | Must Take Exam to Renew | Other Methods and/or Comments |
|-------------------|------------------|------------------------------|--|--|-------------------------|--|
| Faye Golden | Alabama | Y | | | Y | If an applicator does not accumulate the required recertification credits by the end of the certification cycle, he/she must pass a recertificatin exam to renew. |
| Tim Drake | South Carolina | Y | | | | Applicators must either take a recertification exam or re-take the core and category exams at the end of a recertification block (5-years) if they do not have enough recert. credits to renew. |
| Darryl Slade | Missouri | | | | | Missouri does not do CEU's. A Missouri licensed applicator must recertify every three years by attending an approved program or take the exams again. If they attend a program, they fill out a form that is sent to our office and entered into the computer. |
| Randy Rivera | Texas | | | Y | | In addition to a random audit, our applicators are also subject to (at time of inspection) have to produce proof of continuing education as evidence by certificates of completion, which are required to be distributed by CE course sponsors. |
| Lance Kobashigawa | Hawaii | | | | | While applicators are responsible for keeping track of their recert crdits information, we also maintain a database of those records via sign-in/sign-out or scanned attendance information submitted to us by class sponsors. Applicators are not sent remind |
| Laurie Gordon | Oregon | Y | | | Y | Oregon reviews and approves a course for pesticide recertification credits and enters into the database. The database generates pesticide recertification Attendance Records which are then emailed to the course sponsor. Currently course sponsor's are t |
| Marty Pousson | Louisiana (LDAF) | Y | | | Y | La. (the LDAF) offers three (3) years of recertification credit for attendance at an approved recertification event (typ. 1 or 1.5-day events), or applicators may re-examine if they choose. We do not track CEUs. |
| R. Lindsay Thomen | New Mexico | Y | | | Y | |
| Jack Peterson | Arizona | Y | Y | | Y | |
| Gerald Kirbach | IL Dept of Ag | | | | | We do not have CEU's. We re-certify by closed book examination only. |
